LED Torch 280 lm Black

General information

Compact yet robust and powerful 5-W Samsung LED torch to have a torch at hand for every occasion. It is equipped with an aluminium reflector, which ensures 100% light transcendence to illuminate areas with super intense 280-lumen lighting up to 250 metres. The IPX7 water resistant housing is built up from rock hard anodised aluminium, which provides extreme durability and has a net weight of only 123 g.

Features

• Heavy Duty series LED torch with 5-W Samsung high performance LED that lasts about 50,000 h
• IPX7 water resistant anodised, aluminium body provides extreme durability
• Light range up to 250 m
