

BIO PLANTELLA GARDEN

High quality liquid organic fertilizer from sea-weed extract for healthy development, abundant flowering, increased yields and better quality of crop with full flavor.

UNIQUE ADVANTAGES:

- 100 % organic composition.
- Sea-weed provides an excellent development of healthy and strong root system for optimum growth and flowering.
- Simple dosage with bottle cup in a form of a measuring cup.

ADVANTAGES:

- With added vitamins, natural plant growth hormone and a mixture of the necessary nutrients, amino acids and carbohydrates.
- The right amount of nutrients for a healthy and strong root system, optimum growth and flowering.
- Liquid form of fertilizer provides as much nutrients as plants require.

USAGE:

BIO
Plantella

COMPOSITION:

Extracts of sea-weed (*Ascophyllum nodosum*) that contains: Nitrogen (N) 0,002–0,03%; Phosphorus (P₂O₅): 0,0004–0,001%; Potassium (K₂O): 0,02–0,06%; Calcium (Ca): 0,01–0,02%; Sulphur (S): 0,06–0,18%; Magnesium (Mg): 0,01–0,018%; Alginic acid: 0,2–0,4%; Mannitol: 0,08–0,14%; Betaines: 0,0008%.

DESCRIPTION:

Bio Plantella Garden organic fertiliser is in liquid form, thus it provides appropriate quantities of nutrients. The main component are liquid extracts from sea-weeds that strengthen the root system, enable optimal reception of inorganic materials from the soil and ensure healthier development and rich and prolonged flowering.

With added vitamins fertiliser supports the healthy and steady growth and the formation of full flavoured and juicy fruit. With regular fertilising the plant significantly increases metabolism and accelerates growth, increases yield as well as increases the resistance of plants to frost or other external stress conditions.

DIRECTIONS FOR USE:

The fertiliser can be used by watering or spraying in following concentration:

Plants	Time of use	Watering (per 1 L of water)	Spraying (per 1 L of water)
Vegetables and berry fruits	1x each 10 to 14 days	20 – 40 ml	15 ml
Herbs and spices	1x every three weeks	30 ml	10 ml
Fruit trees and vine	1x every three weeks	30 ml	10 ml
Balcony and ornamental plants	1x per week	20 ml	10 ml

IDENT / Packing:

- 52297 / 500 ml, 12 per pack, 84 packs on pallet
- 50433 / 1 l, 12 per pack, 50 packs on pallet
- 50922 / 3 l, 6 per pack, 30 packs on pallet

TESTED EFFICACY:

Our products are the result of years of knowledge, proven research and technological innovation. Their efficacy has been tested and validated in scientific laboratories.
