ORIENT
CERAMIC

Portofoliul Orient Ceramic cuprinde peste 3000 de produse de o calitate exceptionala: gresie, faianta, piatra naturala, granit, marmura si mozaic, ideale pentru desavarsirea proiectelor dumneavoastra atat la interior cat si la exterior. Oferim solutii optime si trainice, cu un design unic si de inalta calitate, unde inovatia si modernismul se intalnesc, prin intermediul produselor expuse in cele 21 showroom-uri Orient Ceramic.

Colaboram cu peste 120 de parteneri autorizati la nivel national si european, iar stocurile impresionante si preturile corecte, sunt atuurile companiei Orient Ceramic.

Customer care este tinta politicilor implementate in cadrul organizatiei, motiv pentru care, toate comenzile clientilor si partenerilor nostrii sunt livrate direct din depozitul central din Constanta. Call center-ul pune la dispozitie informatii, recomandari si suport tehnic din partea personalului specializat, astfel incat proiectele dumneavoastra sa fie unicat si sa se ridice la nivelul asteptarilor, chiar mai mult.

Ne puteti gasi oricand pe: [Http://www.facebook.com/OrientCeramic](http://www.facebook.com/OrientCeramic), Instagram: [orientceramic](https://www.instagram.com/orientceramic), [Http://www.orientceramic.ro/](http://www.orientceramic.ro/).

	RECTIFICATA	Placile ceramice rectificate au acelasi calibru si pot fi montate cu rosturi foarte mici (1mm). Rectificarea consta in prelucrarea (taierea) marginilor placii, astfel incat muchiile acestora formeaza unghi de 90 grade.
	PORTELANATA	Placile portelanate sunt obtinute prin ardere la o temperatura de 1200-1300°C si datorita compactatii/densitatii ridicate, acestea sunt mai dure, au o rezistenta la compresiune si impact mare, rezista la agenti corozivi.
	ANTISLIP	Gresie a carei suprafata are proprietati antiderapante si este recomandata pentru utilizare in zone umede interioare(bai, piscine, abatoare) sau exterioare(terase, piscine, etc.).
	ANTIINGHET	Placi ceramice rezistente la inghet care pot fi utilizate si la exterior.
	RELIEF	Placi ceramice cu suprafata in relief.
	TRAFIC INTENS	Placi ceramice rezistente la trafic intens.
