Restyling-ul uneia dintre cele mai populare soluții Savini Due

Geometria frontului de sertar oferă dinamism, dar și echilibru uneia dintre cele mai populare colecții Savini Due.

Gradul înalt de practicitate al mânerelor din metal cromat și al sertarelor cu închidere amortizată și extracție completă adaugă elementele necesare pentru ca această colecție să rămână una dintre cele mai bine vândute.

Restyling di una delle piu apprezzate soluzioni Savini Due

La nuova geometria del frontale offre dinamicità ma anche equilibrio a una delle collezioni più amate della Savini Due.

La grande praticità delle maniglie in metallo cromato e di cassette con chiusura rallentata ad estrazione totale fanno il resto affinché la collezione continui ad essere una dei best seller.

Restyling of one of the most popular Savini Due solutions

The geometry of the drawer's front offers dynamism but also balance to one of the most popular Savini Due collections.

The great practicality of the chromed metal handles and drawers with soft-closing and full extraction adds the rest so that the collection continues to be one of the best sellers
