**RO** Profilele de terminație asigură un finisaj estetic pentru muchiile exterioare ale gresiei/faianței și protejează marginile plăcilor ceramice. Sunt disponibile în diferite dimensiuni și nuanțe pentru o potrivire cât mai bună cu nevoile dumneavoastră.

**EN** Tile-ending profiles provide an aesthetic finish to the external edges of the tiles, protecting the edges. They are available in various sizes and shades to better match your needs.

**DE** Abschlussprofile verleihen den Außenkanten von Fliesen ein ästhetischen Abschluss und schützen die Kanten der Keramikfliesen. Sie sind in verschiedenen Größen und Farben erhältlich, um Ihre Bedürfnisse besser zu erfüllen.
