

## Declarație de performanță pentru profile din material tip MDF

Având în vedere hotărârea nr.668 din 13 septembrie 2017 privind stabilirea condițiilor pentru comercializarea produselor în construcții, produsele fabricate de Set Prod-Com, fac obiectul unei specificații tehnice nearmonizate, aceste produse nefiind într-un nomenclator de standardizare.

Conform regulamentului (UE) nr. 305/2011 ce reglementează mecanismul declarației de performanță, pentru a evita duplicarea unor încercări de tip deja efectuate, fabricantului unui produs pentru construcții i se permite utilizarea rezultatelor încercărilor realizate de o terță parte. Deoarece proprietățile materiei prime folosite de către Set Prod-Com nu se schimbă și nu sunt afectate în urma prelucrării mecanice a materiei prime (MDF) pentru realizarea plintelor din MDF, se va utiliza declarația de performanță a firmei producătoare a materiei prime și anume YILDIZ ENTEGRE ROMANIA SA.

Menționăm că YILDIZ ENTEGRE ROMANIA SA este singurul furnizor al firmei noastre privind materia primă (MDF). Anexăm declarația de performanță a producătorului de material MDF (YILDIZ ENTEGRE ROMANIA SA) din care se produc toate loturile de plinte MDF realizate de către SET PROD COM SRL.
